Everybody with the sense of an oyster knowe that there is now no law for the appointment of a lot of Deputy Marshals for this purpose; but there are laws that have not been repealed which gives power to the regularly appointed Deputy Marshals to act in the premises—and these are the fellows that will look after the law breakers in Maysville and Mason county. and Mason county.

It will be well for some people in Maysville and some people in Mason county to keep in mind the following provision of the amended law under which the coming election will be held.

Whether the following poetry was written with Mr. BECKHAM in mind is not known, but The Spoutspring Times publishes this week—THE WEN WHO LOSE. The world has pity for the man Who, having lost, goes on And tries to smile despite the hope Of profit that is gone. IT is not a matter of surprise that ROBERT NOAKES, the liar premier of the Powers trial, and FINLEY ANDERSON, the poor perjurer who trapped shimself, and WHARTON GOLDEN, the progressive testifier, who was ready to swear to anything needed to fill up a gap in the case, are all now at work for ARTHUR GOEBEL of Cincinnati.
